Proprietors of The Mercantile Agency

This Agency maintains some 225 offices throughout the world for the collection and dissemination of information regarding the financial and credit standing of merchants, manufacturers, traders, bankers, etc.

In British Columbia, offices are conducted at Vancouver and Victoria; other points in the province are visited regularly by representatives sent out by these offices.

At each office a vast amount of information regarding traders is available. In addition to these detailed reports, The Mercantile Agency publishes quarterly reference books containing the names of merchants, etc., with estimated financial and credit ratings, up-to-date lists of banks and bankers, good maps, and summaries of abstract of collection laws, etc., of each province.
